------------------	-------------	----	--	--

2L only = summer 2012 positions (graduation class of 2013)

3L only = fall 2011 or spring 2012 graduates

LLM = fall 2011 or spring 2012 graduate from LLM programs

Lateral = 1+ years experience (graduates of 2011 or earlier)

Informational = not currently hiring

Academic Year = local candidates only

*** = Summer associates also must have an undergraduate or graduate degree in science or engineering sufficient to sit for the patent bar; a Ph.D. is required for chemistry and biology backgrounds (industry experience is a plus).*

**** = All applicants required to have a background in engineering, such as electrical engineering, computer engineering, or a hard science degree such as physics, biotechnology, biochemistry or chemical engineering.*
